Dear Parents and Carers

We’ve had a very productive term with RDA, Swimming, Art with Nicola, Chaplaincy program with Jim Good, Ron Hollis band visit and the Sydney Conservatorium of Music visit which we all enjoyed.

The student satisfaction survey has now been finalized with a result of 99% of students enjoy their Thursday Scripture session with Lyn and Vic. Congratulations to Lyn and Vic for your successful scripture program.

### Stewart House

Stewart House has been operating since 1931 in Curl Curl on the Northern Beaches of Sydney. Each year 1800 children from schools in NSW and the ACT visit Stewart House and as well as participating in lots of fun activities and outings are offered a variety of health care services. Stewart House operates on grants received from the NSW Department of Education, donations from NSW teachers and support staff and fundraising events. On the 8th May Tangara School was one of thirteen schools to receive a Platinum trophy to thank our school community for our generosity. I was of course surprised to hear of the award and thank everyone for our continuous support for such a worthwhile charity.

As a school that regularly benefits from the generosity of our local community to support our program it is so good to be able to give back. Incidentally three of the thirteen schools to receive this award were special schools.

### Sydney Conservatorium of Music visit

On Monday 22 June we were visited by the Sydney Conservatorium of Music and were treated to some excellent music. We were introduced to a variety of instruments to hear, touch and play. Everyone enjoyed their visit.

### Art with Nicola

Every class is doing amazing art works. Ocean class have been working hard on abstract art.
